

IT'S TIME FOR A PREP TALK.

Now available from Timely –
custom hardware preparations

From electric power transfers and rescue hardware to concealed vertical rod exit device strikes and even heavy-duty, 4 1/2" hinges, Timely can custom prep our door frames to meet your specifications.

You give us the specs, we'll give you the preps. For more information call us at: 818.492.3500 Or email us at: sales@timelyframes.com

You'll find Timely in universities, medical facilities, office buildings, hotels and any place that calls for beautifully designed, quality prefinished steel door frames.

TIMELY
PREFINISHED STEEL DOOR FRAMES
